NO THOUGHTS NO GRAVITY TO RELEASE THEIR SECOND SINGLE 'OUT OF HER MIND', A FOLLOW UP TO THEIR WELL-RECEIVED DEBUT

Single Release Date: 17th June 2016

Genre: Rock/Acoustic Rock, Label: SubverCity

'Out of Her Mind' is the second single from London based band No Thoughts No Gravity. The song builds upon the band's unique sound, formed of an eclectic mix of dark, guitar driven art/indie rock, tantalising melody with an ambience straight out of a David Lynch movie.

The band's guitar player, Phil NoThoughts said of the song *"We're really thrilled to continue to work with SubverCity and release 'Out of Her Mind' as our second single. This is a really atmospheric song and I think it shows how our song writing and performance has matured following the impact we achieved on our first single 'Night Taxi Boy.'"*

No Thoughts No Gravity has already been lauded in parts of the press following the release of their debut single. The band comprises of singer Justyna Salamon and guitarist/producer Phil NoThoughts. During live shows they are joined by drummer Spiros Maus. The band has been gigging regularly whilst accumulating a YouTube channel view count of over sixty thousand views with their innovative songs and song arrangements.
